

Wee B-Ball

Basketball for ages 3-5

This is an introduction to organized basketball for boys and girls in pre-school and Kindergarten. Our primary goal is for these young players to learn the game of basketball, how to play on a team, sportsmanship and to have fun. We teach basic fundamentals and encourage the players to develop an interest in the sport and improve each week.

Players will play on a seven-foot goal with smaller basketballs. Players will be instructed for 30-40 minutes and then will participate in controlled scrimmages for 20-30 minutes.
